Faculty Profile

Name   : CHITHRA RAJ N.

Date Of Birth   : 24-02-1978

Unique ID   : 1-7438350481

Qualification   : MTech Computational Engineering

Specialization   : Computational Engineering

Department   : Computer Engineering

Work Experience			
Teaching	**Industry**	**Research**	**Others**
21 years	0 years	3	Nil
Patents and Publishing			
No. of papers published	**Projects carried out**	**No. of books published**	**Patents**
4	**1**	Nil	Nil

Subjects Taught

Data Structures (Theory & Lab)	Embedded Systems
Operating Systems	Computer Mathematics
Computer Architecture and Organisation	Internet of Things (Theory & Lab)
Digital Computer Principles (Theory & Lab)	System Administration Lab
Computer communication networks	

Area of Expertise

Deep learning, Machine Learning, Linear Algebra, Optimisation techniques, Image Forensics
